### Continued COVID Safety

As COVID-19 continues to affect our world and our everyday lives, Mitchell Construction Group remains committed to the safety of our clients, workers, and communities by following all CDC and government guidelines. Our entire staff is fully at work, and we are taking on all types of jobs, including outdoor deck and exterior transformations, as well as indoor projects like kitchens, bathrooms, additions, basements, and anything else you can think of!

To learn more about all of the changes we have made to help you build your dream while staying safe, please visit us at [www.mitchcogroup.com](http://www.mitchcogroup.com), or call our office (508-359-7904).

### AWARDS

Despite 2020 being as unpredictable as it has been, we here at Mitchell Construction Group have continued to keep things as normal as we can, including submitting several of our recent projects for Regional and National awards. So far this year, we have entered the Chrysalis Awards and the Eastern Massachusetts Chapter of the National Association of the Remodeling Industry, also known as EM NARI, and are incredibly honored to announce that we have won three awards!

The first award was a Regional Award for Residential Exterior given to us by The Chrysalis Awards for Remodeling Excellence. The project we entered was a complete

overhaul of the exterior of a home for a family that had just moved to Massachusetts from Hawaii. They were hoping to bring some of that Hawaiian paradise feel to their new home, and we were happy to bring it to life with a two-story back deck featuring

a built-in barbecue and outdoor seating area, and a spectacular front porch running the length of the house. We also updated much of the home's exterior with new siding, trim, shutters, windows, doors, and exterior lighting. The end result is a breathtaking property that is completely unrecognizable from what it had once been.

(continued on the next page)

The second and third awards that we won were given to us by the Eastern Massachusetts Chapter of the National Association of the Remodeling Industry. We received a Gold Award in the category of Residential Exterior for the same beautiful project that won a Chrysalis Award, and earned a Silver Award in the category of Residential Addition \$200,000 and Over. That project included the addition of a second bay to an existing garage, as well as a finished space above the garage that houses a new master bedroom, bathroom, walk-in closet, and office. The exterior remodel included all new windows, doors, paint, and a beautiful front porch to give some dimension and character to the home.

**2020 AWARDS**

EASTERN MASSACHUSETTS

SILVER AWARD WINNER  
Residential Addition \$200,000 and Over

We are very honored to have received these awards and want to thank both Chrysalis and EM NARI for the recognition. We are always excited to work closely with our clients to make their visions and dreams come to life, and are even happier when their projects get recognized on such a large stage. We are excited to see what next year's awards season has to bring!

## ADDING SPACE, BEAUTY, AND CHARACTER

A complete exterior remodel and new addition on this 1960's home truly added to its beauty and brought it back to life.

The old paint had become dull over the years, the windows no longer worked as well as they once did, and the overall design had become outdated. All windows on the home were replaced and given new trim, and a gorgeous blue paint job was used to bring out the home's unique design features. The garage was extended to have two bays with separate doors, both of which were designed to match the style of the new front door. The garage footprint also includes a stunning second-floor master suite, featuring a new master bedroom, walk-in closet, beautiful master bath, and an office space.

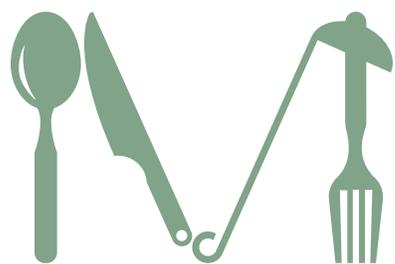

(continued on the next page)

Gaining this much-needed space for themselves allowed the homeowners to leave the rest of the home to their two children, making more room for everyone. The entire existing roof was replaced to match the new addition and tie the whole structure together. A new entrance into the home from the garage was put in for easy, convenient access. And an eye-catching front porch was put on to add to the character and curb appeal of the home.

With its fresh design, added space, and new landscaping, this beautiful property is the pride and joy of its owners and a standout in the neighborhood.

THE MITCHELL  
KITCHEN

# BBQ Chicken Sliders!

## ingredients (Makes 12 sliders)

- 12 dinner rolls
- 3 cups of shredded cooked chicken
- 1/3 cup of barbecue sauce
- 1/2 red onion, sliced thinly
- 6 slices of pepper jack cheese
- 1/4 cup fresh parsley, finely chopped
- 2 tablespoons butter

## instructions

1. Preheat oven to 350 degrees Fahrenheit
2. Slice dinner rolls in half lengthwise, and place bottom half of the rolls in a 13 x 9" baking dish.
3. Spread cooked shredded chicken evenly over dinner rolls.
4. Top the cooked chicken with a layer of barbeque sauce, followed by a layer of the sliced red onion, and the slices of pepper jack cheese. Finish by sprinkling the dish with your freshly chopped parsley.
5. Layer the top half of your dinner rolls on top of your dish and brush them with a layer of melted butter.
6. Place your dish in the heated oven and bake for 20 minutes until the bread is golden brown.
7. Remove from the oven and slice into individual sliders, then **serve & enjoy!**

PROJECT SNEAK PEEK

Despite how much is going on in the world, we are very fortunate and grateful to have stayed busy here at Mitchell Construction Group and have been working on some very big and exciting projects. For a little over a year now, we have been working on a complete home remodel and garage addition that is coming along beautifully. This two-story, five-bedroom, seven-bathroom home is really starting to take shape. And while we can't show you everything just yet, we've decided to give you a sneak peek into how things are coming along!

Watch for more photos and updates in the next issue of our newsletter, or by following us on Facebook and Instagram.

## Thanks For The Thanks!

Thank you to all of our amazing clients for your kind words, and for the trust you put in us to make your dreams come true!

The level of detail and creativeness that went into the initial design proposals were wonderful.

Our project manager, Jimmy, was extremely responsive, communicative, professional and was always available throughout the project.

I was most satisfied with the design suggestions and the finished product.
